Each Friday, at the end of their final camp day, the campers have a performance. The KittyCat camp is truly the cutest show on earth.

Want to learn a back-handspring, back tuck or maybe improve your air awareness for snowboarding, dance or cheerleading? Check out our Tumble & Trampoline camp. This camp is designed to focus on tumbling and trampoline skills, and is one of the best ways to quickly learn a skill. **Our camps do fill up... Enroll now !**

## End of the USAG Season and Beginning of CARA

CATS USAG Boys level 4, 5 & 6 teams competed in their state competition this past March. Their season was filled with much success. Putting their strength to the test, our boys showed so much maturity at every competition. CATS Level 5's were more experienced this year and seemed to be having fun out there. Join us in wishing them LUCK at Regional Championships.

**Congratulations Girls Optional Team for qualifying every team member to State.** CATS Girls Level 8, also competed in their State competition this past March. CATS had 5 Level 8 Girls acquire enough points to earn a spot at the Regional Championships held in Denton Texas this year. GO CATS!

**Congratulations to all the gymnasts and families who give so much of their time during a competitive season.**

A special thanks to CATS coaches for all the additional time they give to each gymnast to ensure they can obtain their best season possible.

**What's Next for CATS Teams?:** CARA Teams begin their competitive season in April. We have a very strong girls team and our boys have always been more superior than other boys programs in the area.

CATS Hotshot program is filled with the strongest munchkins you've ever seen. If you see amazing tot classes running around the gym, those are actually our Hotshot boys and girls classes. Take a look at our future competitors.
